MINISTERIAL RELIEF ENDOWMENT FUND BULLETIN NO. 15.

By Henry H. Sweets, Secretary.

Will not each one who reads this report decide at once to have some part in meeting the offer of the elder who will give fifty cents for every dollar contributed to the Endowment Fund of Ministerial Relief this year until he has given \$68,000 to the fund.

A little more than two months now remain in which we must raise \$86,838.83 in order to secure this large gift, as the offer only runs to December 31, 1916.

We are depending on your help in this undertaking, which will mean so much in meeting the just and honorable claims of the ministers who have worn themselves out in the service of Christ and the Church, and of the needy widows and orphans of those who have "ceased from their labors."
